

Church of God Independent Ministries

We are excited to let you know that the Medina, OH CGI historical church building is once again a Feast of Tabernacles site for the year 2026. This historical church building, built in 1835 and preserved as a historical marker, is the 4th oldest church in the state of Ohio. Mr. Tony Buchert will be coordinating this feast site once again and is planning for many things to do in the area. There are many outdoor activities to do locally such as hiking, fishing, canoeing, and kayaking. There is also the very cute downtown Medina area to explore where you can spend the afternoon visiting the shops and having a bite to eat. There are many wonderful places to dine in the area. If you feel a little more adventurous, you are able to take a 20 mile trip north to the bigger city of Cleveland. There you will have access to the Rock and Roll Hall of Fame, the Science Museum, and many other famous additional sites to enjoy. The NFL Hall of Fame is located in nearby Canton, OH if you have that interest. Amish Country is also within an hour drive of the site as well if you would like to visit this tourist destination. You will be treated to a true fall festival with the leaves changing color and beautiful temperatures to enjoy as you view the scenery of rural country roads and small town America.

There will be many scheduled activities to join in at this feast site as well. There will be a Meet and Greet on the Friday evening before the Feast starts. Doors for this event will open at 6:00PM and there will be a short service at 7:00PM. During the Feast, the doors to the church will open at 9:30 each morning for coffee, snacks and fellowship. On the first day of the feast, a catered lunch will be provided as we renew friendships and build new ones. Other activities will include group outings, an evening Bible Study, a church picnic and our annual Karaoke and Pizza Party.

It is important to realize that this will be a hybrid feast site. Depending on available speakers, presentations may be a streamed video from the CGI Ministries Florida Feast site.
